The Montana State Board of Dental Examiners became the Board of Dentists on August 1, 1972, when it was made a part of the Department of Professional and Occupational Licensing for administrative purposes under Executive Reorganization. The offices are located in the LaLonde Building in Helena.

## BOARD MEETINGS

January 19, 1972 - - Billings, Montana

Dr. Jack Terrill, Chief of the Dental Bureau of the State Board of Health, asked for approval of the Board to employ a person as a dental health aide. This aide will be trained by him to assist in preventive dentistry programs. The Board voted to grant his request.

There was a lengthy discussion concerning Dental Hygienists and the interpretation of the Dental Practice Act as to direct supervision of Dentists. The following motion was made, seconded and carried: "Direct personal supervision of a Hygienist can be interpreted as proceeding with a prophylactic procedure after examination, diagnosis and authorization by the Dentist employer".

Dr. Sullivan reported on his meeting of the National Dental Examiners in Atlantic City in October 1971. Topics under discussion were: duties and training of dental auxiliaries; the Kennedy Dental Care Bill (many of the Dental Examiners would like Congress to pass only a Children's Program which would employ all the Preventive Dentistry procedures available today.); Federal regulation of licensure and Complete Reciprocity (turned down); the problem of illegal drug traffic; licensing of foreign dentists; and means of helping the dental shortage.

The Board approved the suggestion by Dr. Koffler that applicants for examination must have application submitted thirty (30) days prior to the date of the examination.

Drug companies are to be charged \$2.00 for an annual report.

A motion was made, seconded and carried that the President of the Dental Hygienist's Association send a representative to the regular Board meetings as a consultant, with per diem and mileage paid.

A discussion regarding continuing education culminated with a motion, which was seconded and carried, to poll the Dentists in the State regarding their attitude toward mandatory continuing education.

The Board authorized Dr. Koffler's attendance at the meeting of the Western Conference of Dental Examiners and Dental School Deans in Anaheim, California.

May 3, 1972 - - Helena, Montana

Helen Peterson, Dental Hygienist representative, reported 23 members in the Association. The Hygienists are participating in self-application program in Missoula, Billings, and Kalispell. Helen will assist in giving the Hygiene Board in July.

Wyoming has entered into a reciprocity agreement with Montana. Applicants by reciprocity will be required to pay the \$20.00 fee and appear before the Board at 8:00 a.m. on the first day of the Board.

Continuing Education - - The Executive Secretary reported 337 questionnaires mailed regarding continuing education in Montana. Eighty percent replied with an affirmative vote. Those willing to be re-examined voted 137 for and 122 against. Fifteen did not respond.

Dr. Petersen will represent the Board at the AADE meeting in October in San Francisco.

A discussion followed regarding the Board member being appointed to carry on his duties until August of each year.

Dr. Koffler reported on his meeting with Western Conference Secretaries and School Deans in Anaheim, California. Topics discussed were: licensing of foreign dentists who perform a needed service within their own ethnic groups; an experimental program on "team progress" using expanded duty assistants; accelerated programs in Dental Education; and "Test Construction and Validation". The 1973 Annual Meeting of the Western Conference will be held in Hawaii. Montana-Wyoming are expected to bid for the 1975 meeting.

Mr. Bousliman with the Dept. of Licensing of Professional and Occupational Boards explained the functions of this new department. The Board will meet with the Director at the earliest date possible.

An appreciation plaque was presented to Dr. Smith, as he will conclude his term on August 1, 1972.

#### July 9, 1972 - - Billings, Montana

A letter from the Governor's office was read informing the Board of the appointment of Dr. Harry Roch of Great Falls to this Board. His term of office will be from August 1, 1972 to August 1, 1977.

The Dental Hygiene instruction sheet was discussed. A revised sheet will be drawn up in the near future. Since this is the first year for receiving Hygienists by reciprocity, it was decided to include the fee for the certificate in the original fee of \$20.00. This will be reviewed for next year. These applicants will be required to write a short essay and answer questions.

The following licenses were revoked for default of payment of renewal fee after no response to notification by certified letter: Dr. Arthur C. Post, APO San Francisco; Dr. Charles P. Bruce, Chandler, Ariz.; Dr. Daniel M. Driscoll, Seattle, Wn; Dr. Norman L. Lewark, Denver, Colo.; Catherine Stalcup, APO, New York.

The Board needs more information before taking action on continuing education. The District Societies will be asked to report on action taken at their respective meetings. Due to a conflict with the State meeting, examinations will be given June 24, 25, 26, 1973. Procedures for examining were discussed.

#### July 13, 1972

Mr. Carney, Director of the new Department of Licensing of Professional and Occupational Boards, explained how the department will operate. This Board will be incorporated into the department on August 1, 1972. The office will be located in the LaLonde Building in Helena.

Officers elected for the coming year are: Dr. Dean Koffler, Lewistown, President; Dr. James C. Moses, Wolf Point, Vice-President; Dr. John S. Petersen, Whitefish, Secretary.

Twenty-one applicants were granted licenses to practice dentistry in the State of Montana. Twelve applicants were granted licenses to practice Dental Hygiene, and two Dental Hygiene licenses were granted by reciprocity with Wyoming.

(The foregoing was condensed from the official minutes of the Board.)
